INSTRUCTIONS

1. This form shall be used by the data subject who wishes to request the controller to restrict the processing of his or her personal data in one of the following situations:
 - The processing of his or her personal data is unlawful, and the data subject objects to the erasure of his or her personal data;
 - The controller no longer needs the personal data for the purposes of the processing, but the data subject needs them for the formulation, exercise, or defence of claims.
2. It will be necessary to provide a photocopy of the National Identity Card or equivalent document that proves identity and is considered valid in law, in those cases in which the data controller has doubts as to his or her identity. In the event of acting through legal representation, the ID card and document accrediting the representation of the representative must also be provided.
3. The Spanish Data Protection Agency does not have their personal data and may only provide the contact details of the Data Protection Officers of the entities obliged to appoint one who have notified their appointment to the Agency. It may also provide these contact details in respect of those entities that have voluntarily appointed a Data Protection Officer and have notified it.
4. The owner of the personal data undergoing processing must contact directly the public or private body, company or professional of which he/she presumes or is certain that he/she holds the data.
5. So that the Spanish Data Protection Agency may process your complaint if your request to exercise the right to limitation of processing has not been dealt with within a maximum period of one month, and provide any of the following documents:
 - The refusal of the data controller to limit the processing of the data requested.
 - Copy stamped by the data controller of the model request for restriction of processing.
 - A copy of the request form for restriction of processing stamped by the post office or a copy of the receipt for sending it by registered post.
 - Any other means of proof provided by the data controller from which the receipt of the request can be deduced.
